Thank you for your consideration of supporting 'Cruise-A-Palooza 2018,' Amanda, Ohio's second annual fundraising cruise-in event. Cruise-A-Palooza has been organized jointly by the Clear Creek Valley Grange #1843 and the Amanda Masonic Lodge #509 to help our organizations collectively raise money for general operations and to support the various philanthropies and issues that our members contribute to throughout the year ranging from awarding scholarships to worthy local high school seniors, regular donations to the Amanda Food Pantry, the Chelsea's Christmas Program, individual local needs and important legislative issues that impact educational opportunities and the daily quality of life for local citizens. Our organizations are two of the oldest in Fairfield County having both been established by the mid-1800's and share an ongoing commitment to family, faith and helping our community. All money raised goes directly to our organizations. The Clear Creek Valley Grange is a 501(3)c organization and the Amanda Masonic Lodge #509 is recognized as an unincorporated non profit organization by the state of Ohio. All revenue sponsors and advertisers will receive an invoice for tax purposes and all donations of merchandise and/or materials will receive an itemized receipt stating the pre-tax retail value of the donation(s).
